GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

Notification dated 25th August 1937.

SALE OF No. 10 B. AND S. COPPER WIRE.

The attention of the public is invited to the notifications published by this Department in the *Mysore Gazette, Times of India, Hindu, Madras Mail, etc.*, inviting tenders for the purchase of about 2,00,000 lbs. of No. 10 B. and S. copper wire available in the Department, and the following additional particulars are furnished for the information of the public.

The wire offered for sale is fresh from stock in Factory coils of 140 lbs. each wrapped in hessian. It was supplied by Messrs. Telephone & General Trust Ltd., London, and conforms to the following specifications, *viz.*,—

"Bare hard-drawn copper wire No. 10 B. and S., '1019" diameter, having a breaking strength of not less than 500 lbs., and a conductivity of not less than 97 per cent of that of annealed copper; and the following characteristics:—

Maximum Resistance per 1,000 yds. at 60°F	3·06
Minimum Tensile Strength : Tons per Sqr. inch	29·38
Elongation in 10 inches. (Approx.)	1 per cent.
Elastic Limit per cent of ult. tensile strength	50 „
Wraps round own diameter	3/0, *i.e.*, 6 on, 6 off, 6 on.

The material has been tested and guaranteed by Messrs. British Insulated Cables Ltd., London, to comply with the above specifications in every respect.

The latest date for receiving the tenders for the material is extended to the 15th of September to give opportunity to the intending tenderers to take note of the above details.

S. G. FORBES,
Chief Electrical Engineer.
